4. COMPENSATION PLAN:

(i) FIRST STEPS:

- (For our new members & all team members who are yet to begin building their business.) ★★
- ATTEND quite a few business presentations, in order to obtain a good understanding of the business. (Company Profile, Products, Overview of the Compensation Plan. Search for & watch various Longrich clips on You-Tube. You can only share what you know.
- Make sure that you take two or three people along with you to each Business Presentation, so that your team can start to grow while you're still learning. Aim to get two active legs in place asap so that you can earn your first commission five to six weeks later.
- Once you understand the business a bit better, SET your GOALS, and then start to organize your own one-on-one or group presentations for your prospects. Your direct team leader can also assist you with group presentations if possible.
- Work on your business DAILY. It's a part-time business, not a spare time business.
- Teach your team (Success Lines) to do same as above!

(ii) WHAT IS PVs:

- PV stands for Product Value. This is the numerical value that Longrich attaches to every SINGLE unit of each product that Longrich offers.
- The numerical value differs from product to product.
- So each time you purchase a product, Longrich adds the value of that product to your accumulated PV.

(iii) JOINING THE BUSINESS:

- There are 2 growth routes in Longrich

1st - Entry Levels

There are Four (4) Entry Levels and these are: SILVER: GOLD: PLATINUM: VIP.

1. Platinum VIP 1680PV 12% + (1%)
2. Platinum 720PV 12%
3. Gold 240PV 10%
4. Silver 120PV 8%

What are the prices of the entry packages in South Africa?

Platinum 12% R27,000
Gold 10% R10,800

Silver 8% R3,800
Q Silver 8% R1,000

NB: Most of the time there are promotions. Ask at the head office always.

How do I move from one entry level to another?

You upgrade by buying products worth the difference of PV (Product Value) between your current level and your desired entry level. For example, if your current level is Silver with 120 PV and you desire to upgrade to Platinum which has 720 PV, you need to fill form to buy products worth $720 - 120 = 600$ PV. Remember to indicate 'Upgrade' on the Form.

Why must I upgrade?

Because this is the money that you can earn at each level- Maximum Performance Bonus per week.

Platinum - R225 000/wk/leg
Gold - R75 000/wk/leg
Silver - R15 000/wk/leg
Q Silver - R 7500/wk/leg

- However in some instances a SILVER Entry level can earn more bonuses than a VIP Entry level? This is possible if the Silver entry has minimum of two of the following Gold, Platinum or VIP as success lines while the VIP Entry Level has only Silver as success lines.
- However, the best growth route is to upgrade to platinum entry level.

2nd - Promotional Levels/Ranks

Pre diamond: less than 720pvs
